## THE CAUSE: ABILITAS

*The Abilitas Foundation is a charity, creating a welcoming barrier-free respite place for BC kids, adults, and families living with disabilities: the Cold Water Ranch Respite Lodge in Merritt, BC. At the Lodge, these families will have a much-needed chance to rest, recharge, and reconnect.*

*The lodge and nature trails will promote physical health and emotional well-being. The high costs associated with raising a child with disabilities often become a barrier. That's why a stay at the lodge will be free.*
